Replacement Sheet

The diagram shows a table titled "CLASS OF SERVICE TABLE" with three columns: "Reference No.", "EXTENSION", and "NPA-NXX-XXXX". The table is divided into two main sections. The first section, indicated by a bracket labeled 508, contains eight rows of data (Reference Nos. 310-324). The second section, indicated by a bracket labeled 510, contains four rows of data (Reference Nos. 350-356). A bracket labeled 504 points to the title, 502 to the first column, 506 to the third column, and 500 to the entire table structure.

CLASS OF SERVICE TABLE		
Reference No.	EXTENSION	NPA-NXX-XXXX
310	4310	404-555-4310
312	4312	404-555-4312
314	4314	404-555-4314
316	4316	404-555-4316
318	4318	404-555-4318
320	4320	404-555-4320
322	4322	404-555-4322
324	4324	404-555-4324
350	4326	678-234-0337
352	4328	678-234-0339
354	4330	678-234-0341
356	4332	678-234-0343
